OmnAvia and Signature Plating Announce Partnership

CIBOLO, TEXAS – September 1, 2020 – Signature Plating is pleased to announce a formal partnership with OmnAvia Interiors of Winston Salem North Carolina. Each of these companies has positioned themselves in the aviation marketplace to be expert resources in their respective products and service offerings. Now they have joined forces to offer a complete interior solution for customers needing soft goods and decorative metal finishes. Mutual customers will be OEM's, MRO's, Completion Centers, Airlines, and individual aircraft operators.

This partnership will establish a presence for their services in the Middle East, Africa, India and Asia. The international reach of OmnAvia Interiors and Signature Plating will be based out of their office located in Dubai UAE. This location will be home to their product support and sales teams. A central location in the region will ensure superior customer support, something both companies maintain is their highest priority.

About OmnAvia Interiors

OmnAvia Interiors has long been regarded the expert in aviation/transportation interior soft goods. Established as an expert supplier, and with over 30 years' experience managing complex interior programs, their variety of carpets, sheepskins, headliners, window panel faux leather, woven upholstery/fabrics, and accessories positions OmnAvia Interiors as a one-stop location to create dream interiors for the most discerning customers. For more information, please call 336-331-3394 or visit omnavia-interiors.com.

About Signature Plating

Signature Plating is a full-service plating facility dedicated to producing the highest quality products with rapid turn times. The company's services include decorative plating and anodizing for the aviation industry, as well as other VIP markets. If it can be plated, rest assured that Signature can do it — and do it well. For more information, please call 210.658.5599 or visit signatureplating.com.
